Brainstorms.....

With Ferrin Cox

Next Tuesday is that fateful election day we have been told of for oh so many months. Election of a person to serve as president of our country for the next four years will headline the day, but many other races will have a more direct effect on the average voter. While my thoughts and those of many people in America are that this has been a long campaign, we ain't seen nothing yet! Both parties have think tanks already planning ahead for this same day in November... FOUR YEARS FROM NOW! There are those who just know President Reagan will win again and they are working to prepare Vice President Bush to take over in 1988. There are Democrats who fear Reagan will win and they too are trying to find a candidate to groom for 1988. With all the problems we encounter just trying to pay our bills and eat three squares a day, we ain't about to worry about the best candidate for president in 1988.

We must put it in writing for those who haven't already figured it out... we will be voting next Tuesday for Ronald Reagan. We feel he will win, but not by the fifteen to twenty percent projected in many polls... folks just don't turn out and vote that solid either way. Having voiced our plans, let us add that we see faults with both candidates and both have strong points, and we don't think it is going to take us any longer to drive to work each day, whoever is elected next Tuesday.

The other races on the ballot are important to us grassroots folks, but only three have any opposition. Democratic Senator Howell Heflin is opposed by a Libertarian and a Republican. The Libertarian doesn't have any illusion of winning and is probably running to get his political thoughts before the public. The Republican, Albert Lee Smith, is a nice person and all that, but can only hope there are enough folks pulling the Republican lever for Reagan/Bush so he can unseat the popular senator. We see some glaring faults with Heflin, not the least being some parts of a judicial bill he urged passage of in Alabama several years ago, but we are going to vote for him as the best qualified for the office.

Republican Bill Dickinson is the dean of the Alabama delegation in the U.S. House of Representatives and I have long been a supporter of Dickinson. This year is no different. His voting so reflects the wishes of the people in his district that I wonder why people attempt self-destruction by running against him. His Democratic opponent Larry Lee is an extremely nice man but hasn't given us one good reason why we should change our allegiance. Lee talks about military this and military that, but nobody but nobody can out-military Bill Dickinson... that is his strong suit in a district that includes three major military bases. Then considering Lee's professional association with agriculture, we were a bit surprised to see the open endorsement of Dickinson by the Alabama Farm Bureau. Dickinson continues to fight for the Wiregrass peanut farmers, even though the number in Congress willingly voting for their welfare continues to get smaller and smaller. Dickinson also has a Libertarian opponent. We vote Bill Dickinson.

The presidency of the Public Service Commission is the only other contested race in our area with incumbent Jim Sullivan the Democratic candidate. He is opposed by a Libertarian and a Republican. Neither of Sullivan's opponents appears to have the ability to run the office. We know nothing about Gatewood, the Libertarian, and Gordon Tucker, the Republican, has run before and last year filed personal bankruptcy and even had that thrown out of court (or so the news reports indicate and Tucker hasn't denied).

We know Sullivan and have no reservations in supporting him for the office. There are two other candidates on the ballot running unopposed. All are Democrats or at least running as Democrats. Vote for them or skip them - it makes little difference unless a massive write-in campaign is launched in the next few days.

There are three amendments on the ballot. We studied them all and are ready to explain our reasons for the vote we plan to cast. We checked our opinions with two very knowledgeable politicians and they explained the bills just as we see them. Number 1 is that thing we already passed overwhelmingly forcing the Alabama legislature to pass the budgets before getting down to their politicking in Montgomery. We strongly support the measure even though these same politicians will most surely figure out a way to get around sticking with the first budget they approve.

Number two pertains only to cotton farmers and we shouldn't even be voting on the measure, because even if you grow cotton, you can't pay in any of the necessary money anyway. Vote yes on Number 2 also.

Number 3 is another matter. It would cut the out-of-state hunting license in some Black Belt counties and would do away with the requirement that a person prove he/she is an Alabama resident before getting the much cheaper resident hunting license. All this is just in the nine west Alabama counties listed in the bill. We oppose this bill and will vote NO.

Whatever your opinions, you need to GO VOTE!

We finally heard a fishing story from the past weekend. The story is of four men who went to Florida fishing and camped out... and then the trouble started. It rained on them before daylight and they didn't have a tent. The wind blew and that is their excuse for not catching any fish. We expect the report of "about 20 fish" being caught really is "about 10" and some of them too small for bait on a large hook.

We finally got some rain in Coffee County. It wasn't a flooding rain and there wasn't a lot of it, but it was greatly appreciated. It probably didn't total an inch of rain, but again we are proud of those showers.

I received a phone call Monday informing me that a high school classmate had dropped dead of a heart attack. It is probably real unusual but this was the very first member of our class to die. Several have lost spouses or had health problems, but this was the first death. He joined the Army shortly after high school and had long since retired and was working for Civil Service up north. We visited his mother a few minutes Monday evening and returned home to count our blessings.

Letters To The Editor

Dear Editor:

A recent column in the MONTGOMERY ADVERTISER by Cynthia Smith indicates that Democratic Party Chairman Jimmy Knight thinks challenger Larry Lee has a chance to unseat veteran Congressman Bill Dickinson in the race for the 2nd Congressional District. That certainly would put Alabama in a bad situation when we are trying to get more industry into the state. It does not make good sense to trade a veteran lawmaker in the nation's capitol for a rookie. Congressional committee assignments are always made on a seniority basis with powerful chairmanships going to the senior members of the majority party. The Republican party has a majority in the Senate and could well end up with a majority in the House of Representatives. In that case Congressman Dickinson would be the Chairman of the House Armed Services Committee with all the power incumbent to that position. Alabamaans should remember that many of the industries and military installations in the state are due to the seniority accrued over more than forty years by Senators John Sparkman and Lister Hill not to mention long time Congressman George Andrews.

Congressman Bill Dickinson has done an outstanding job of representing the people of the second district since he went to the Congress in 1964. It appears that Alabama and the Nation will go Republican in the presidential race and we would be sitting pretty with Dickinson in firm control of the Armed Services Committee. Bill Dickinson serves the people of this district well. He listens to their problems and when there is a way he responds to their wishes. I have never asked Congressmen Dickinson for a personal favor and I would not. I have asked him to help when I was bogged down in the federal bureaucracy and he came through. Bill Dickinson did not know me from Adam's off-oven but he took the time and made the effort to see that the situation was made right. I believe he is a just man and will try to see that his constituents are treated fairly. We should keep such a man in Congress.

EHS Seniors Of The Week

Scott Kellner is the 17 year old son of Mr. and Mrs. Duane J. Kellner. He has always attended Elba City Schools. He is a member of the Sr. Beta Club, Symphonic Band, and the Marching Tiger Band where he serves as the trumpet section leader. He is employed part-time at Hardee's. Scott's favorite class is English Lit. and his favorite teacher is Mrs. Tucker. His hobbies include talking on the phone, riding around, hanging out with his friends and playing his trumpet for the Tiger Band. He enjoys going to school at EHS and suggests a free lunch period for students. The most memorable time in Scott's school life was playing his first solo with the Marching Tigers. After graduation, Scott plans to attend Enterprise State Junior College for two years and then transfer to the University of Alabama and major in broadcasting communications.

Mu Alpha Theta, Science Club, Girl Scout Troop #300, photographer of the annual staff, Colorguard, and Symphonic Band. Amy's favorite class is English Lit. and her favorite teacher is Mr. Thompson. Her hobbies include horseback riding, swimming, and twirling the flag in the colorguard. She enjoys going to school at EHS and suggests that there be a free lunch period. The most memorable time in Amy's school life was being Homecoming Queen and traveling and marching in the band. After graduation, Amy plans to attend the University of Alabama in the fall of 1985.

Elba Well Represented At Peanut Festival

Melody Dawn Smith, the reigning Miss Elba, left her home Thursday morning at 6:40 a.m., anticipating a very exciting weekend as she went to compete for the 1984 National Peanut Festival Queen.

After a brief greeting from the pageant officials, the girls said farewell to their parents and headed to the Dothan Civic Center for a long day of practice. The contestants were treated as royalty. They were escorted by Alabama State Troopers and Dothan City Policemen everywhere they went. The mayor and other city officials greeted the girls and expressed their best wishes.

The swimsuit competition was at 10:30 Thursday morning followed by lunch at Morrisons. Then it was time for more practice for Thursday night's competition, verbal communication. The winner of the swimsuit and verbal communication was Miss Dothan, Gisel McRae. When the contestants returned to their rooms, they all had flowers from their friends and families.

Friday began early and ended late. The thirty-seven contestants were escorted to the Civic Center by lights and sirens, when WTVY's Ann Varnum interviewed the girls live on the Morning Show at 8:00 a.m. Next each girl went to an elementary school in the Dothan area and talked to fourth and fifth grades about her home town. Dawn went to Southside Elementary School where she shared facts about Elba with six emotionally conflicted fifth graders - all inquisitive, energetic boys - who captured her heart as each vied for her attention. Following the teaching experience, each girl had dinner with a family in Dothan. Dawn had a enjoyable time in the home of the Minister of Music at First Baptist Church of Dothan. The girls returned to the civic center for more practice at football kick off time; therefore, Dawn requested Trooper Ronnie Whitworth, one of the trooper escorts, to keep her posted on the Elba - Troy score. Practice was great, but Dawn missed

For Dawn the pageant provided "the best of times - a \$1000 scholarship and the worst of times - saying good bye to thirty-six new friends." Dawn expressed her feelings about the pageant as "an experience that made me feel special because I was representing my city and I wanted to make everyone proud of me. Beauty contests, as many label them, are more than

Dress Up Week Boosts School Spirit

"Wow! Look at her hair! It's orange!" "Check out that mini-skirt!" "Who is she supposed to be?" These phrases have been more than once during dress up week at EHS. Every year during Homecoming week, the Varsity Cheerleaders sponsor dress up days. This year, more students got the school spirit and dressed up as punk rockers, Boy George, spooks, goblins, Mr. T, football players, to name a few. Dress up days were as follows: Monday - 50's Day, Tuesday - Punk Day, Wednesday - Star Day, Thursday - Spook Day and Friday - Black and Gold Day. Pictured are a few of the students who dressed up this week: Dina Salter, Sherry Kelly, Jennifer Hudson, Regina Hudson and Dawn Smith. We hope to have more dress up days in the future. Remember, dress up days are more fun when everyone participates. So, catch that school spirit and support your favorite football team - those fighting Tigers!

Cooperative Ed. Features Kelley

The Cooperative Education Program at Elba High School features Kenneth Kelley and Elba Nursing Home.

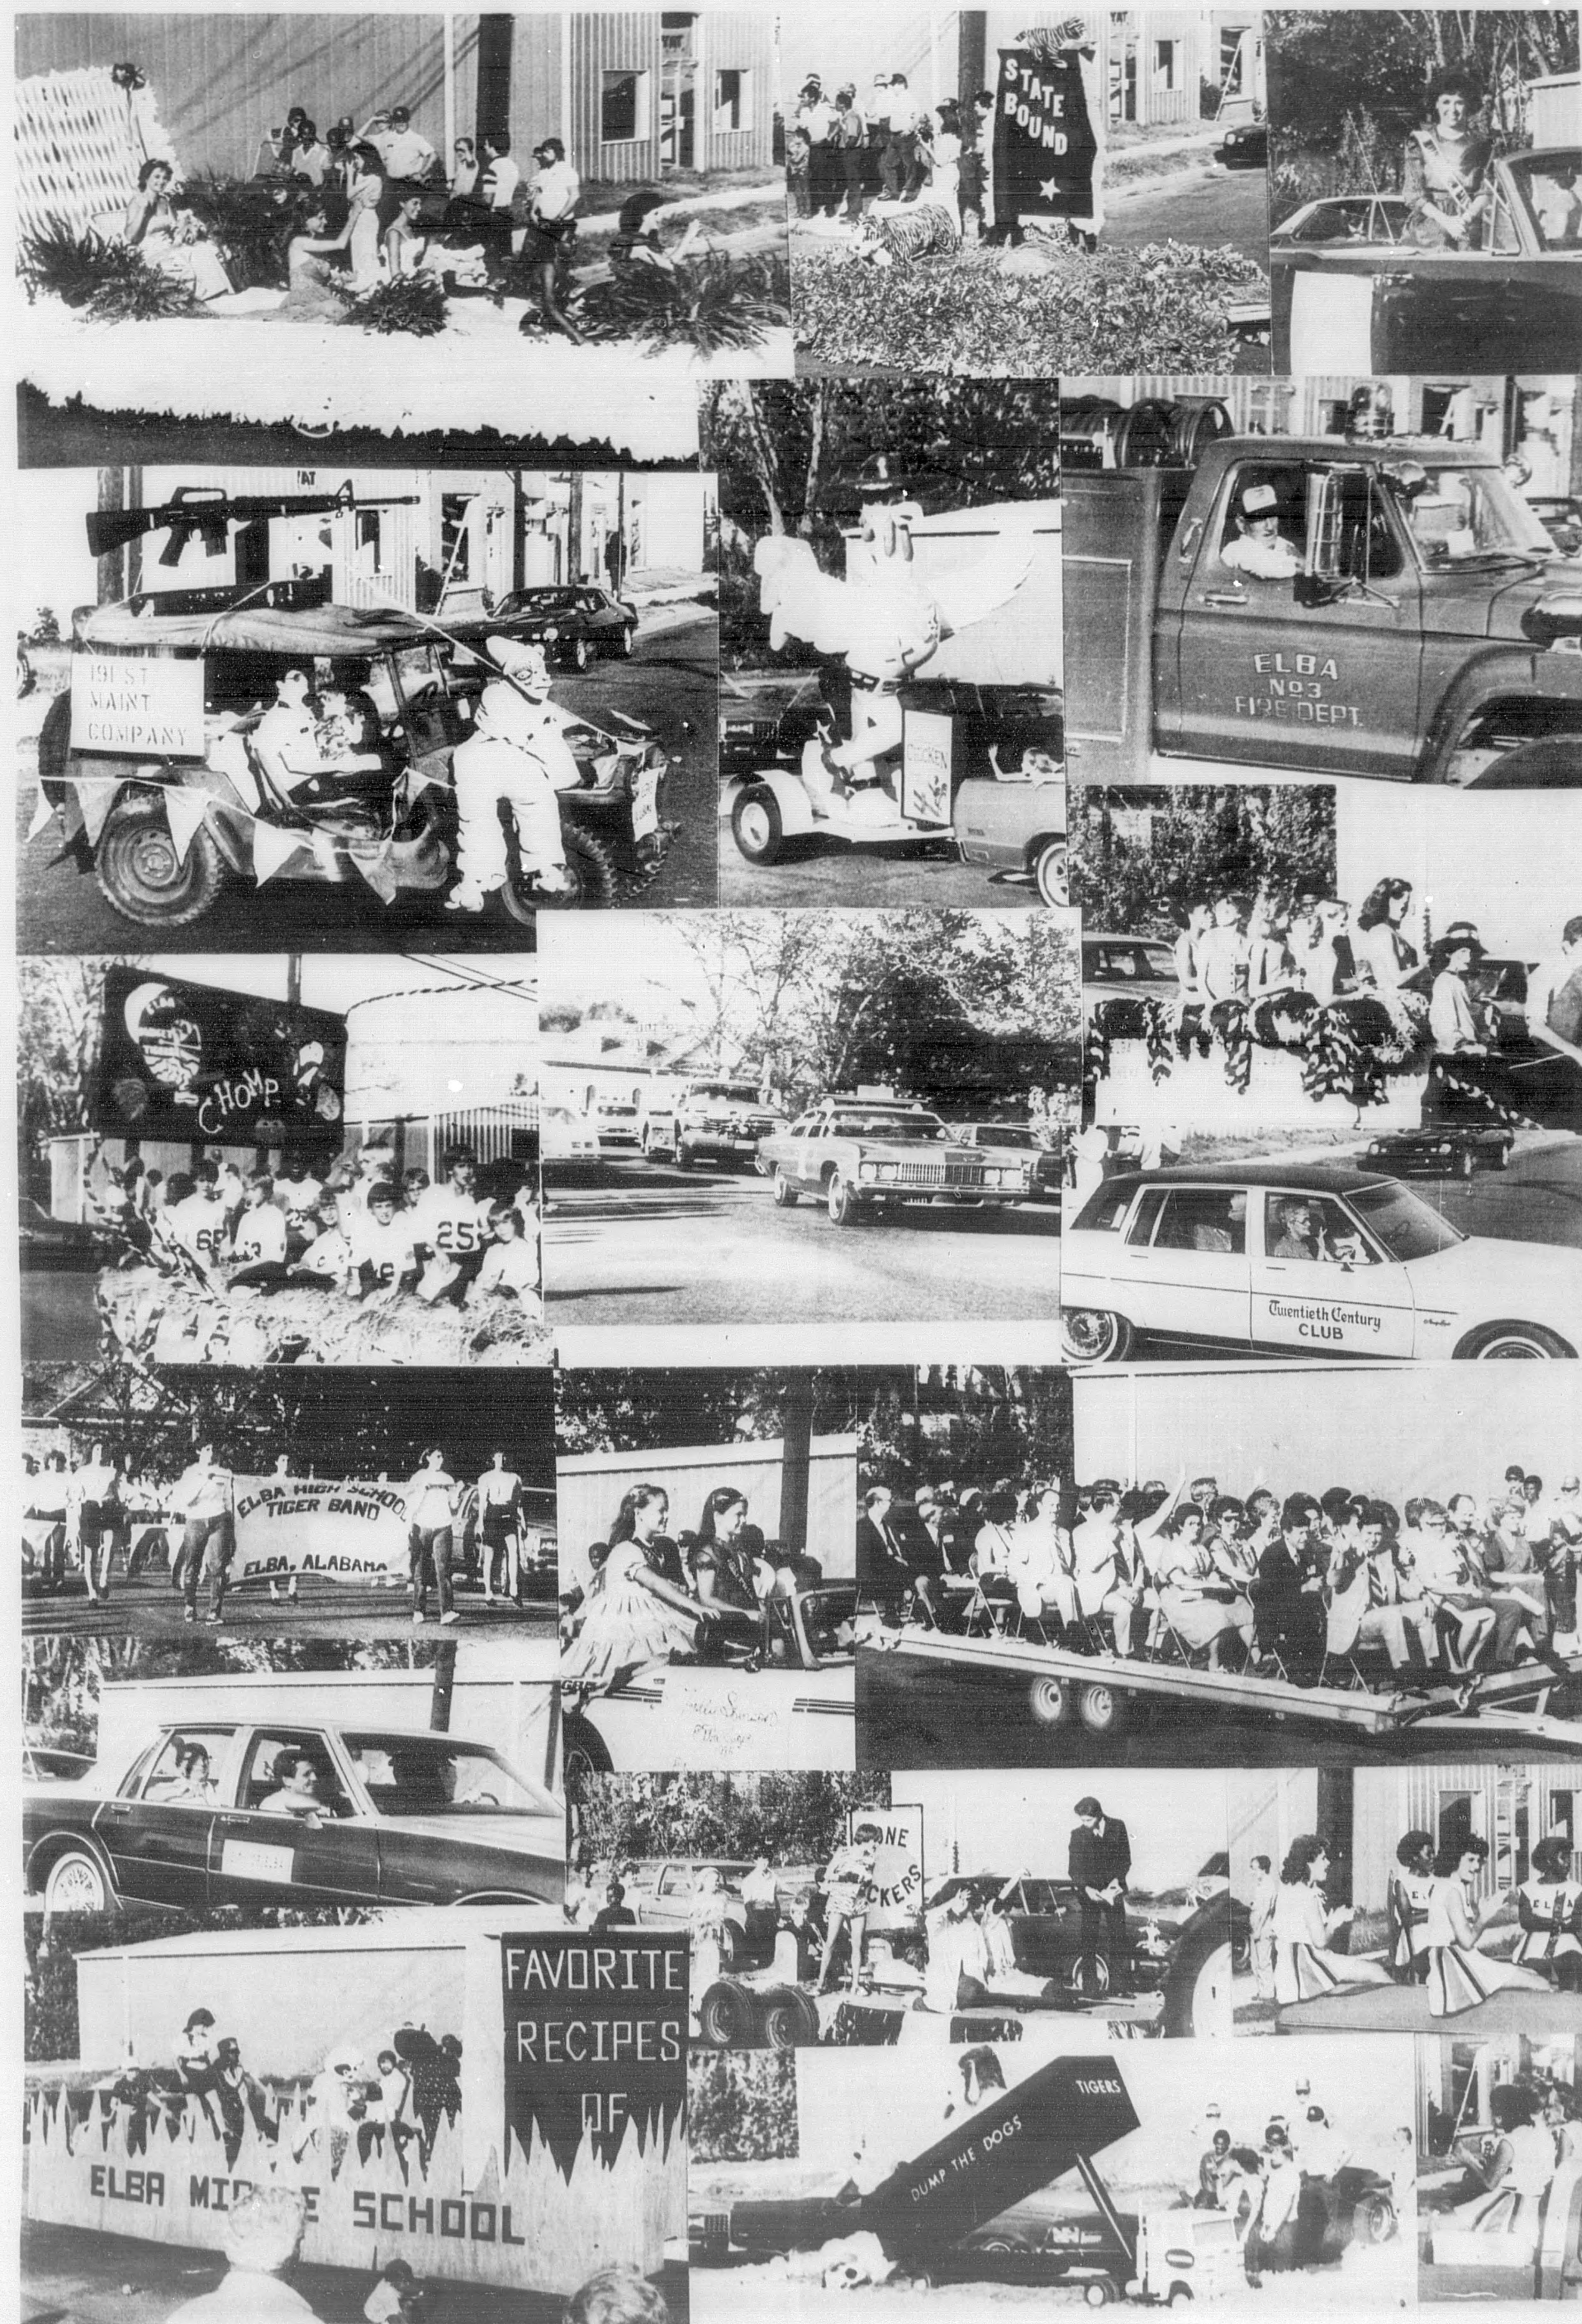

Kenneth is shown taking vital signs of a resident. He also works with the marketing team as a reporter for the 3-11 shift of the

Nursing Home. He enrolled in a nursing assistant class last summer and was selected to participate in the work-study program. Kenneth enjoys his work very much. We would like to thank Mrs. Tammy Kelley for all the help and concern she has shown.

physical. The essay portion of this contest helped me to look within to see what only God can see as I wrote on the topic "If I Could Change One Thing About Myself, What Would It Be?" As I reflect on this experience,

I shall always be grateful to my loving parents and family, encouraging friends, and my sponsor, the Elba Lions Club, for their support and many expressions of best wishes. It was wonderful.

Annual To

The Gamecock Pride Marching Band is preparing for the Enterprise Marching Band Festival on Nov. 3 in Bates Memorial Stadium. The band will be marching in the AA Classification.

The band's show will consist of the following numbers: A String of Pearls, Rocket, On the Sunny Side of the Street, For the Good Times, and Love Me Tender.

Have New Look

The word is going around NBHS that Jeff Creel is the most juvenile junior and Kelly Tindol is the snazziest senior! Look for these and other distinguished (?) students in the new "Who's Who" section of the '84-'85 annual.

The '84-'85 annual has many new looks in store for this year. The biggest change will be the new spring arrival date. All the annual staff members and their new sponsor, Mrs. Sandra Burkett, have been working very hard to meet their deadlines.

With all the many changes, one thing remains the same -- the price (\$15). Annual orders will be taken the week of Nov. 5-9.

N.B. Seniors Of The Week

Seniors of the week are Ginger Carmichael and Kelly Tindol.

Ginger is the daughter of Mr. and Mrs. Jack Carmichael. She is active in several clubs including being captain of the Gamecock Cheerleaders, president of FBIA, treasurer of the Beta Club, member of SGA, and is currently reigning as Miss New Brockton.

Stacey Phillips was chosen as band player of the week by Band Director, Roger Knauff. This is her second year in the Gamecock Pride Marching Band.

Stacey plays the flute, and is the daughter of Mr. and Mrs. George Phillips of New Brockton.

Zion Chapel DAR Good Citizen Is Selected

Janet Stewart, a senior, has been selected as Zion Chapel's recipient of the DAR Good Citizenship award. The contest is sponsored by the Daughters of the American Revolution. Zion Chapel is a part of the John Coffee Chapter of DAR.

The selection was made by the senior class and the faculty. The senior class members were asked to nominate three seniors who best exemplify outstanding qualities of leadership, dependability, service and patriotism in their school, home and community. The three nominees were David McCarroll, Rhonda Senn and Janet. The faculty made the final selection.

Each school winner is invited to be an honored guest at the John Coffee Chapter DAR noon luncheon meeting Saturday, December 8, in the home of Mrs. Roy Hilton. They will be awarded Good Citizen pins and certificates.

A county winner will be selected from the school winners, and each county winner will be considered in the selection of the state winner, who will receive a \$100 award. Each state winner will then be considered in the selection of the national winner, who will receive \$1000. The top ten participants will receive awards.

Local winners are required to write an essay of 500 words or less and take a three-part written exam containing questions relating to national, civic and patriotic issues. They must also submit a grade transcript, one letter of recommendation and a personal data sheet.

BY: BRIDGET GREENWOOD,
DANNY HUSSEY
EDITED BY: KIM BRUNSON

The first order of business in the first meeting of the fourth grade 4-H was to elect officers for the 1984-85 school year.

The officers for the fourth grade girls are president - Vickie Bryan, vice-president - Nicki Pilcher, secre-

tary - Kecia Griffin, reporter - Bridget Greenwood, devotional leader - Christie Eddins, song leader - Falacy Tawana. The officers for the fourth grade boys are president - Freddie Till, vice-president - Toby Wambles, secretary - Michael Parker, reporter - Danny Hussey, devotional leader - Randy Jackson. Not only were officers elected, but the meaning of the 4-H flag was explained to the girls.

Zion Chapel Beta Club

Initiates New Members

BY: RHONDA SENN
Superstars "Michael Jackson", "Boy George", and "Dolly Parton" were just a few of the guests who visited with the students at Zion Chapel.

Thursday, October 25, 1984, was the yearly initiation day for the new

members of the Zion Chapel Beta Club Chapter. The new members impersonated the following persons: Diane Parker - "Boy George," Brian McCloud - "Michael Jackson," Sharon Pope - "Prince," Dee Dee Gatlin - "Gene Simmons," Becky Huckabee - "Willie Nelson," Kathy Reeves - "Cindy Lauper," and Brenda Mobley - "Dolly Parton." These students, in addition to dressing up as stars, also had to do everything the old Beta Club members told them to do. As usual, there was a lot of singing, crawling up and down the halls, and toting books and lunches all day. These students were chosen as new initiates because they had maintained a 90 average at the end of school last year.

The stars appearance at school was not a surprise for most. There has also been visits made by super-heroes, the smurfs, and cartoon characters.

Beta Club Sells

Gifts For

Worthy Cause

A great assortment of lovely gifts for the holidays, home, friends and family are being sold by the Zion Chapel Beta Club. The purpose of this fund raiser is to help Santa purchase Christmas gifts for some people who otherwise might not have much for Christmas.

When a Beta member approaches you please make a purchase even if it's only a small one - everything helps.

The sales campaign will continue for one more week. For further information contact club sponsor, Mrs. Mary Herbert, at 897-6275. She will give your name to a club member who will contact you immediately.

Farm-City Week Scheduled For Nov. 16-22

The Coffee County Farm-City Week Committee has announced the developing of the program of events for the celebration of the week of November 16-22.

Meeting in the Farm Center in New Brockton, Ala., Monday morning, the committee heard Chairman Bill Faulk say that the week is designed to promote understanding between farm and city residents. Nearly all of Alabama's 67 counties will be participating in the Farm-City Week activities this year. Coffee County has been recognized for years as one of the leading counties in this respect.

A number of events have been scheduled for the week and committees are already preparing for posters, napkins, place mats and publicity for the big event.

The tentative schedule calls for various proclamations to be signed by mayors and the probate judge somewhere around November 12. On November 15, various kindergartens are expected to pay a visit to the Martin Moates farm, south of Enterprise, so the children may see farm operations and farm animals.

On the 16th, the Little Misses from across the county will be entertained in Goodman for fun and farm activities. On the 19th, retired farmers will enjoy a banquet provided by the Farm Bureau at the new Brockton Farm Center, beginning at 6:30 p.m.

One of the highlights of the week will be the visit of special education classes to the Moates farm around 9 a.m. on November 20. Then, at 6:30 that evening, young farmers from around the county will have a banquet at Ed's Restaurant in Enterprise.

On Wednesday, November 21, the Enterprise Lions Club will host a number of farmers during their noon meeting.

Other clubs are expected to host

farmers at their respective meetings during the week, including the Rotary Club. These various arrangements will be announced later. Also tentatively scheduled in the Farm-City Week Chamber of Commerce banquet in Elba on November 17 at the Elba Elementary Cafeteria. Cecil Davis will be the speaker.

A conducted tour of Sessions Company peanut butter mill will also be arranged, possibly on Tuesday, November 20.

These are just some of the plans discussed by the Committee Wednesday. Other discussions included appearances by various spokesmen on TV and radio programs to promote the event.

This is the 30th annual observance of Farm-City Week. Last year's observance, according to final reports from national headquarters, involved the active participation of more than 18,000 communities across the United States and Canada.

Members of the Coffee County Committee include: Bill Faulk, chairman; Enterprise members: Martin Moates (former chairman), Mo Sessions, Joe Rutkowski, Jimmy Bowden, Bob Helms, Tommy Grimley, Roy Shoffner, Loflin Martin; New Brockton members: Steve Munster, Tom Casaday, Dan Presley, Gary Hollon, Janice Moates, Angela Hughes, Frank Charlier, Kinmon McMillan, Rhoades, Judy Reynolds; Elba members: Dud English, Larry Green, Vileta Mixon, Bette Ham.

IMPROVING I am hearing of some record yields of peanuts. It is not uncommon to find people who are making two tons of peanuts per acre. Speaking of peanut yields, I had a good visit with Bruce Peniel who lives on the Bellwood Road south of Enterprise. We were talking about yields and he said, "As I look back, it took me 10 years to make my first 1,000 pounds of peanuts per acre."

Coffee County farmers have come a long way in the past quarter of a century in producing peanuts. One really knows how many pounds of peanuts an acre will produce. New improved varieties, soil fertility, and improved disease control all contribute to high yields.

THE TIME Norris Walden, who farms on 167 south of Enterprise, is one of the few who already has his soil samples for the 1985 crop in the laboratory at Auburn. Other farms throughout the county are getting samples. I look for a record number of samples to go in to the laboratory this fall. Peanuts are a high value crop and not very many folks are taking chances on coming up with a short yield due to inadequate soil fertility.

Taking care of the soil fertility and lime needs of a field is one thing

a farmer has control of. There are so many things that can't be controlled! Unfortunately, we still have row crop and cattle producers who fail to take advantage of the soil testing services provided by Auburn. But there is still plenty of time for next year's crop. Testing supplies are available at the Extension Office in New Brockton and at agri-business dealers throughout the county.

Don't just think about it! Go ahead and get these soil samples this week!

TIMBER PRICES In our region pine sawtimber on the stump brought a high of \$180 per 1,000 board feet in September. The price in our area was \$135, and the average was \$172. This was on the Scribner Scale. Poplar sawtimber sold for a high of \$72 a 1,000. The low was \$59, and the average was \$56.

Demand for pulpwood is good. The highest price in our region was \$21 a cord. The low was \$10 and the average was \$15. Soft hardwood pulpwood sold for a high of \$8 with an average of \$7. Demand is only fair for this type pulpwood.

Prices vary depending on a lot of factors such as length of haul, logging conditions, grade and size of timber. Of course, competition and

demand have a lot to do with prices in a given area. But these factors are reflected in the prices quoted.

PROBLEMS Gene Reagan talked recently about 85 agricultural leaders who met in Washington recently to discuss solutions to financial problems for farmers. The leaders focused not on how lenders are handling credit for farmers in these stressful conditions, but rather centered around four general points:

1. Agricultural financial problems are not evenly distributed across the country but continue to grow. It was noted that 84 percent of U.S. farm debt, currently at \$216 billion, is held by one-third of the producers.

2. The agricultural situation is the result of economic conditions outside of agriculture and will be resolved only when general U.S. and world economic problems are addressed.

3. U.S. agriculture does not have adequate domestic consumption capacity to accommodate its productive capacity.

4. The short-term financial problems of individual farmers must be addressed at the local level and on a case-by-case basis.

DOUBLE CROPPING Growers planting wheat to follow with soybeans should consider deep turning or at least thorough preparation before planting wheat. Research at Headland has shown consistent improvement in wheat yields where double cropping is practiced. It is reflected in better double cropped soybean yields. At least one farmer in the county has debris should help in keeping down disease problems.

"REACHING FOR NEW HORIZONS"

By S.S. Belcher

THOUGHT FOR THE WEEK:
Have I judged someone unfairly today?

SCRIPTURE FOR THE WEEK:
Judge not, and ye shall not be judged; condemn not and ye shall not be condemned.

Luke 6:37

SUBJECT FOR THE WEEK

Shyness may be a prison but it's not a life sentence. It's such a common experience it's hard to take seriously. Almost everyone knows that uncomfortable awkward feeling. But you grow out of it; you make friends in a world of strangers. You learn to speak up in public. Besides, there's something a bit admirable about shyness.

For many people, shyness is neither a comical memory nor a refreshing personal style. It's more like a brick wall between them and people they want to meet and things they want to do.

How do you know if you have a shyness problem? If you have to, you probably don't have a severe one. But most people admit they feel shy in some situations or with certain people, or that they have felt shy at certain periods in life, particularly during adolescence.

Being shy means different things to different people. Bashful, coy, diffident, reserved and timid are words used to define shyness. This is not to say that quiet people are necessarily shy; they may simply be naturally reserved.

On the other hand, some shy people talk glibly to hide inner fears. In general, though, shyness can be defined as feeling awkward, self-conscious and tongue-tied with people or in dealing with new situations.

If you're shy, you probably feel all alone on occasion; but you do in fact have lots of company—about 40 percent of the U.S. population is shy according to Stanford University.

It's generally recognized that many people become shy because of painful childhood experiences and the negative self-image that results. Here are a few ways to help shy people find richer and fuller lives:

1. Access your shyness
2. Rehearse difficult situations
3. Relax physically
4. Talk positive to yourself
5. Learn to be a good listener.
6. Put yourself in a position where you have to talk
7. Observe others who seem to be sure of themselves.

If you decide to do something positive about overcoming your shyness, keep in mind that to overcome shyness a person must take risks, and behave differently from the way they have behaved all their lives. You may be uncomfortable.

Frances Miles Conner has been promoted to district marketing manager with Delta Air Lines at its Ontario marketing office. Ms. Conner was previously account executive at Delta's Los Angeles marketing office.

A 32-year Delta veteran, Conner was director in Delta's Marketing Development Department at the airline's Atlanta general offices before her move to Los Angeles in 1983, and before that was in the Economic Research Department.

A native of Elba, Ms. Conner has two children—Karen and Benny.

Elementary School Students See Educational Film

The film, "Better Safe Than Sorry II" was viewed on Thursday, October 18, by Elba Elementary students and teachers. The film was shown by Mrs. Sara Sharpless, principal.

The film depicted situations in which children may find themselves that might present a danger to them, and gave instructions as to the best way to deal with these situations, including sexual abuse. The children were shown they are to say "no", get away and tell someone. "EC DIET PLAN" is 100% safe and contains no drugs. Farm Groups Continue to Support BILL DICKINSON... A Friend of Agriculture!

ALABAMA FARM BUREAU FEDERATION
P. O. Box 10000
MONTGOMERY, ALABAMA 36108
October 18, 1984

The Honorable William L. Dickinson
301 Federal Court Building
Montgomery, AL 36104
Dear Bill:

I truly enjoyed the evening of October 8 with you and rekindling my acquaintance with Jack Kemp. I sincerely feel that the event demonstrated the strong support which you enjoy in the Second District of Alabama. It was my pleasure at that time to add my personal endorsement to your candidacy.

Agriculture is going through a period of profound adjustment. In my opinion, the jury is still out on the ultimate question of whether the family farm can succeed as an economic institution in this nation. It is my firm belief that with your help and the help of others like you, we may still save this valuable institution and all that it stands for.

I will look forward to working with you as the 1985 Farm Bill is formed and passed under law. I appreciate your support in the past and look forward to an even stronger association in the future.

Sincerely,
Goodwin L. Myrick
President

The Elba Tigers remained undefeated last week with a wild 42-21 win over Andalusia, and while the win didn't come easy, it was a good win over a good team, and Elba stands at 8-0 with only one week left in the regular season.

The Elba offense rolled up over 500 total yards and six touchdowns in the win, and after eight weeks is averaging over 32 points a game! The star in last week's game was senior tailback Michael Scott, who ran for 275 yards, caught a pass for 22 yards and scored three touchdowns. Of Scott's three touchdowns, one came on a 59-yard run and the other two came on fourth-down plays. Scott has already gained almost 1200 yards this season and is fast closing in on Don Horstead's all-time career rushing record. Keep it going, "Skeeter!"

John Hudson had a good night passing, possibly his best ever, as he fired two touchdowns passes and was on target all night long. John Osburn had a big game catching the ball, Richard McKinnon ran well at fullback, and the line did its usual good job.

The defense got pushed around a little and gave up 21 points, but it did come up with three turnovers and got tough in the fourth quarter when Andalusia threatened to pull off an upset. The defense didn't have a good game; however, I remember early in the season when it carried the load and I know it will come back stronger than ever.

It wasn't a good week for the county schools, as only Kinston was able to claim a win. Here's a quick look at what happened:

***Kinston clinched a winning season with its 12-6 win over Coffee Springs. I picked the Bulldogs to go 5-5, so it's obvious that Coach Cottrell and his bunch have had a good season!

***New Brockton journeyed to Columbia and got shelled 43-7. The

Gamecocks aren't that bad a team—they've just had two tough games in a row.

***Zion Chapel couldn't stop Goshen's air attack and got bombed 39-14. The Rebels gave up a lot of big plays and saw all playoff hopes come to an end.

"Did you know that Los Angeles Rams defensive standout Reggie Doss has Elba connections? Yep, his mother, Mary Edna Simmons, was raised in Elba and graduated from Mulberry Heights High School back in 1953. She moved after getting married and now lives in Texas, but has a lot of kinkof in Elba.

I was more than a little surprised Sunday when I read that former Coffee Springs star Ronnie Green averaged 47.3 yards a punt on seven punts. Green, who averaged over 50 yards a punt last season at Coffee Springs, walked on at Mississippi State and hadn't played much, but Saturday against Auburn he got his chance and shined!

I read in Sunday's Pensacola News-Journal that the state's top-ranked team posted an 84-0 win Friday night. The team—Bradenton Manatee—is where my little brother Gary went to school as a junior, and it looks as if the Hurricanes are better than ever.

Last Tuesday's USA Today carried an article entitled "Alabama's Season of Discontent", and you know I had to read it. The article mentioned the team's inexperience and how Perkins' wholesale changes on the coaching staff started the problems. I don't know what's wrong, but I sure enjoy reading everybody else's opinions.

The regular season will draw to a close this week and Ye Ole Polish Prognosticator goes to out with a bang. Here goes...

ELBA VS. DALEVILLE

The Tigers are ranked No. 1 in the state and are undefeated, while the Warhawks are 2-7. The pressure will be on the Tigers, but I can't believe they've come this far to let it slip away now.

ELBA VS. DALEVILLE

The Tigers are ranked No. 1 in the state and are undefeated, while the Warhawks are 2-7. The pressure will be on the Tigers, but I can't believe they've come this far to let it slip away now.

KINSTON VS. BRANTLEY

A battle of Bulldogs with a lot on the line! Kinston has had a good year; however, Brantley is coming on strong and will give a homecoming crowd plenty to cheer about.

Elba win would clinch 1st perfect season since 1955

The 1984 Elba Tigers will have a chance to place their name in the record book Friday night when they host the Daleville Warhawks in a key Class 4A, Area 3 matchup.

A win would give Elba a 9-0 regular season record and mark the first time since 1955 that an Elba football team finished the regular season undefeated.

Daleville will bring a 2-7 record into the game, but is coming off an impressive 24-7 win over Opp and will be ready to battle the highly touted Tigers. The other line came over New Brockton 42-28, while the losses were to Geneva County 21-20, Abbeville 27-27, Geneva 29-6,

Slocomb 28-7, Ashford 16-14, Andalusia 37-21 and Pike County 39-7.

"Daleville is a much improved football team," warned Elba's Coach Mack Wood, "and we know they'll come over here believing they can win."

"Offensively," said Wood, "Daleville runs well, passes well and has real good size. Both backs have good speed, the quarterback is a good passer and they might have the best receivers we've faced. The size of the line reminds me of Andalusia, and they can overpower you as well as outkick you. They've had success moving the ball all season. Over on defense they line up in a split six or a 4-4 and really move people around. The defense has good size and is aggressive."

"For us to win," stated Wood, "we'll have to continue to play well on offense, be sound in all areas, and mix up our plays. On defense we'll have to improve over last Friday night or get beat! It was the sorriest we've played on defense in two years, so we will have to look like a new team."

"A win would climax a lot for this team," said Wood. "It can go undefeated during the regular season and win the Area. The pressure is on us and we'll have to play with pride and class."

Looking back to last week's 42-21 win over Andalusia, Coach Wood stated, "We, the coaches, did a poor job getting our people ready on defense. When Mike Maddox makes tackles and doesn't play good tech-

nique it's the coaches' fault. If Todd Sanders, Mike McCollough, Art Brunson and Raynard McKinnon hadn't played well, we would have lost! I'm not taking anything away from Andalusia—they had a good plan on offense and had a good line. However, our defense didn't play well."

"I thought our entire offense played well," added Wood. "Mike McCollough, Tim Dyess, Rob Hudson, John Osburn and Derek Young did their best job of the season blocking downfield. Claude Dorsey, Rex Jackson, Gary Kelley, Mike Maddox and Danny Ennis all did well in the line. John Hudson had an outstanding game, while Richard McKinnon played well and Michael Scott had a very, very good night."

Season closing games to be filled with excitement

The football season will draw to a close this week for the county schools; however, the games will be exciting as New Brockton and Zion Chapel meet for the county championship and Kinston battles Brantley for a share of the Area 4 title.

New Brockton at Zion Chapel

The county championship will be up for grabs Friday night when the Zion Chapel Rebels host the New Brockton Gamecocks in the renewal of an old rivalry.

The game could be a high-scoring contest, as both defenses have given up a lot of points all season. Zion Chapel (3-6) has given up an average of 27.1 points a game, while New Brockton (5-4) has allowed an average of 25.2 points a game.

The Rebels boast a strong running attack, led by Michael and Bobby Hill, and can move the ball

against anybody. The Gamecocks have speed to burn in Mike Haynes and a good passer in Jon Paul Sawyer.

Yep, it looks like a possible shootout at Zion Chapel!

Kinston at Brantley

The Kinston Bulldogs (6-3) can throw the Area 4 race into a three-team tie and possibly earn a playoff berth if they could upset highly-touted Brantley (7-2), at Brantley's homecoming.

Kinston, 1-1 in the Area, stayed alive last week with a win over Coffee Springs and could put the icing on a successful year with a win; however, it won't come easy! Brantley has won seven straight games and during that stretch has outscored its opponents 149-28. The Brantley Bulldogs appear to be peaking at just the right time.

Elba scores early & often to post wild 42-21 win over Andalusia Bulldogs in Homecoming tilt

NOT THIS TIME . . . Elba defensive back Raynard McKinnon (27) stops Andalusia's Eric Wilson (20) short of a first down on a key play in the fourth quarter.

A member of the Marching Tiger band performs during halftime as a majorette does a routine in the background.

The Elba Tigers pulled out to an early lead and then survived a second-half scare to outscore the Andalusia Bulldogs 42-21 Friday night in Elba.

The win upped Elba's record to 8-0, while Andalusia fell to 2-7 with the loss.

Andalusia got an early break when it recovered an Elba fumble on the Elba 43-yard line on the second play of the game. The Bulldogs moved to a first down at the 19, but couldn't cash it in, as Mike McCollough took the ball away from a Bulldog runner on the next play to stop the threat.

Elba took over 91 yards from paydirt and in only five plays were on the board! A 23-yard run by Michael Scott got the Tigers out of the hole, while a 21-yard pass from John Hudson to John Osburn got Elba across midfield. The score came on a 24-yard pass from Hudson to Osburn, and Hudson added the extra point, giving Elba a 7-0 lead with 6:53 left in the first quarter.

Elba got the ball back only four plays later when Ken Ware recovered a fumble at the Andalusia 42, and four plays later the Tigers had scored again! A 30-yard run by Michael Scott sparked the drive, while Richard McKinnon got the score on a seven-yard run. Hudson added the p.a.t. and with 3:18 left in the first quarter Elba owned a quick 14-0 lead.

Andalusia took the ensuing kick and drove 78 yards in 11 plays to cut the Elba lead in half. Eric Wilson gained 39 yards during the drive and got the score on a six-yard run. Philip Sinkfield's p.a.t. cut Elba's lead to 14-7 with 10:28 still left in the half.

The Tiger offense put the ball in play on the 20-yard line following the ensuing kick and this time needed only four plays to cover the distance, with Michael Scott scoring on a 59-yard jaunt. Hudson added the extra point, upping Elba's lead to 21-7 with 8:55 left in the half.

John Hudson's ensuing kick was short and took a funny bounce, allowing Elba's Art Brunson to recover the kick at the Andalusia 19-yard line, as stunned Bulldog players stood in disbelief. Two plays later John Hudson fired a perfect pass to Mike McCollough for 15 yards and yet another Elba score, and after Hudson's p.a.t., the Tigers were on top 28-7 with 7:22 left in the half.

Andalusia was down, but not out, and drove 71 yards on its next possession to reach paydirt. Eric Wilson got the call on all six plays during the drive and scored on a ten-yard run. Sinkfield's extra point cut Elba's lead to 28-14 with 4:15 left in the half, and that's how the score read at halftime.

Andalusia received the second half kick and got right back in the game by driving 74 yards in 10 plays for a touchdown. The drive used up over nine minutes of the quarter and was climaxed when Jeff Hopkins scored on fourth down from a yard

Elba's Michael Scott in Prep Spotlight

Eric Brown of Elmore County staged a one-man show with a 31-point performance to move into the "prep spotlight" selected by the Alabama High School Athletic Association.

A survey of football games statewide is made weekly. Other spotlight performances were:

***Robert Stewart of Houston County scored 29 points with 287 yards rushing and four touchdowns, a 24-yard field goal and two conversion kicks in a 43-7 win over New Brocton;

***Michael Scott rushed for 275 yards and three touchdowns in Elba 42-21 win over Andalusia;

***Bart Synder of Goshen passed for 233 yards and five touchdowns in a 39-14 victory over Zion Chapel.

FIGHTING FOR YARDAGE . . . Elba tailback Michael Scott (25) fights for extra yardage. Scott, a senior, gained 275 yards in the game to lead the Tigers to a 42-21 win.

out, Sinkfield again hit the extra point, pulling Andalusia within 28-21 with 2:44 left in the third quarter. The two rivals swapped punts on their next series, with Elba winding up with the ball on its own 12-yard line. The Tigers needed a drive to keep the ball away from the Bulldogs, and got just that, as they drove 88 yards in nine plays to score a touchdown! A 37-yard run by Michael Scott was a key play in the drive, and it was Scott who got the score on a 21-yard dash. Hudson's p.a.t. was true, upping Elba's lead to 35-21 with 4:38 left in the game.

Mike McCollough intercepted an Andalusia pass on the Bulldogs' next

possession and Elba quickly put additional points on the board. Michael Scott gained 35 yards during the drive and scored on a ten-yard run. John Hudson hit the p.a.t., giving Elba a 42-21 lead with 3:32 left on the clock and ending the scoring for the night.

Michael Scott gained 275 yards on 23 carries to lead the Elba offense, while Richard McKinnon added 59 yards on 11 carries. John Hudson hit on five of eight passes for 87 yards, with John Osburn catching three passes for 50 yards. Jetey Wise made 13 tackles and had two assists to lead the defense, while Todd Sanders had 10 tackles.

Kinston keeps playoff hopes alive with 12-6 double-overtime win

STORY & PICTURES BY GREG BRUNSON

The Kinston Bulldogs journeyed to Coffee Springs last Friday night to do battle with the Golden Bears. That is a feat that has happened only once since they started the football

program at Kinston. As the game opened, neither team could move the ball on their first possession and on exchange of punts gave Coffee Springs the ball at their own 27. The Golden Bears

made three first downs moving to the Bulldogs 22 yard line. On fourth and one, the Kinston defense stopped Willie Sconiers for no gain ending this drive.

Another exchange of punts and a 27 yard return by Alvin Henderson gave Kinston the ball at the Golden Bears 48 yardline. Glen Barnes carried twice for 23 yards and two first downs to the 25 yard line. Three more snaps netted seven yards so Toby Reeves came on for a 35 yard field goal attempt. The kick was true giving Kinston the lead, 3-0 with 9:23 left in the second period.

The Bulldogs got themselves in trouble on their next possession by fumbling the ball away deep in their own territory. The Kinston defense was ready for the task and three plays had netted on three yards. On fourth down, Tim Rodgers booted a 32 yard field goal to tie the score at 3 with 3:05 to go in the half.

The Golden Bears got the ball back before the half and Rodgers attempted a 54 yard field goal that missed just short.

Neither team was able to move the ball in the third quarter as the two defenses really got after each other. Early in the fourth quarter, the two teams exchanged interceptions as Tim Rodgers picked one off for Coffee Springs and Glen Barnes returned the favor for the Bulldogs.

Gamecocks shot down by Houston County 43-7

STORY & PICTURES BY PAT AND BOB ROBERTSON

The New Brocton Gamecocks saw their playoff hopes come to an abrupt end Friday night when they fell to the Houston County Lions 43-7, in Columbus.

The loss dropped New Brocton's record to 5-4 and set up next week's battle with Zion Chapel as a chance to post a winning record.

Houston County received the opening kick and wasted no time scoring as Robert Stewart got the ball on the first play of the game and rambled 70 yards for a touchdown. Lloyd Bryant added the extra point and it was 7-0 before the fans could get settled in their seats!

The Lions got the ball back on a punt and drove 84 yards in six plays to add to its lead. Stewart got the call on five of the plays and scored the touchdown on a 69-yard run. The p.a.t. failed, but Houston County was ahead 13-0 and the scoring parade was just starting!

The Gamecocks had to punt on their next series and the Lions' Stephen Jones took the punt in at the 47 and raced 53 yards for a touchdown. The p.a.t. by Stewart was good, giving Houston County a 20-0 first quarter lead.

Houston County got the ball back on another punt early in the second quarter and this time drove 63 yards in five plays to score again. Robert Stewart got the score on a four-yard run and although the extra point failed, the Lions were in complete command with a 26-0 lead.

Houston County's Robert Stewart kicked a 26-yard field goal midway through the second quarter to make it 29-0, and the Lions added a touchdown in the closing seconds of the half to take a 36-0 halftime lead. The final points came on an eight-yard touchdown run by Brian Dukes and an extra point by Lloyd Bryant.

The Gamecocks held the high-powered Lions scoreless in the third quarter and then turned an interception into a touchdown of their own in the final stanza. The interception by Shawn Kelley put New Brocton in business at the Houston County 35, and the Gamecocks scored on a five-yard pass from Jon Paul Sawyer to Kerry Williams. Keith Patterson added the p.a.t. and with 2:47 left New Brocton was on the board, but behind 36-7.

The Gamecock touchdown apparently made the Lions mad, because Robert Stewart re-entered the game and promptly raced 80 yards for a touchdown. Stewart also kicked the p.a.t., giving Houston County the 43-7 win.

Robert Stewart, a 238-pound speedster, gained 288 yards on 13 carries.

Other top defensive performers included Art Brunson (9T), Tim Flowers (8T and 2A), Chuck Williams (7T) and Mike McCollough (4T, 1A, 1 fumble recovery and 1 interception).

Zion Chapel falls to Goshen 39-14

It was apparently "bring your own hat" night as Zion Chapel band members sported everything including a motorcycle helmet.

STORY & PICTURES BY
DANNY BELCHER

Zion Chapel's dreams of a spot in the State 2A playoffs were dashed last Friday night when the Rebels lost to the Goshen Eagles 39-14, at Zion Chapel.

The loss left Zion Chapel with a 3-6 record, with a season-ending battle against New Brockton coming up next week.

Zion Chapel received the opening kick and showed its strength by driving 80 yards for a touchdown. The drive ate up almost seven minutes of the clock and was climaxed when Michael Hill scored on a two-yard dive. The p.a.t. was good, giving the Rebels a 7-0 lead with 5:33 left in the first quarter.

Goshen got on the board with 14 left in the quarter when Bart Snyder found Chris Wilkes behind the Rebel secondary and hit him on an 80-yard pass play. The extra point failed, leaving Zion Chapel on top 7-6.

The Eagles got the ball back on a punt and wasted little time scoring again, as Bart Snyder returned to the air, and this time hooked up with Freeman Jackson for an 80-yard

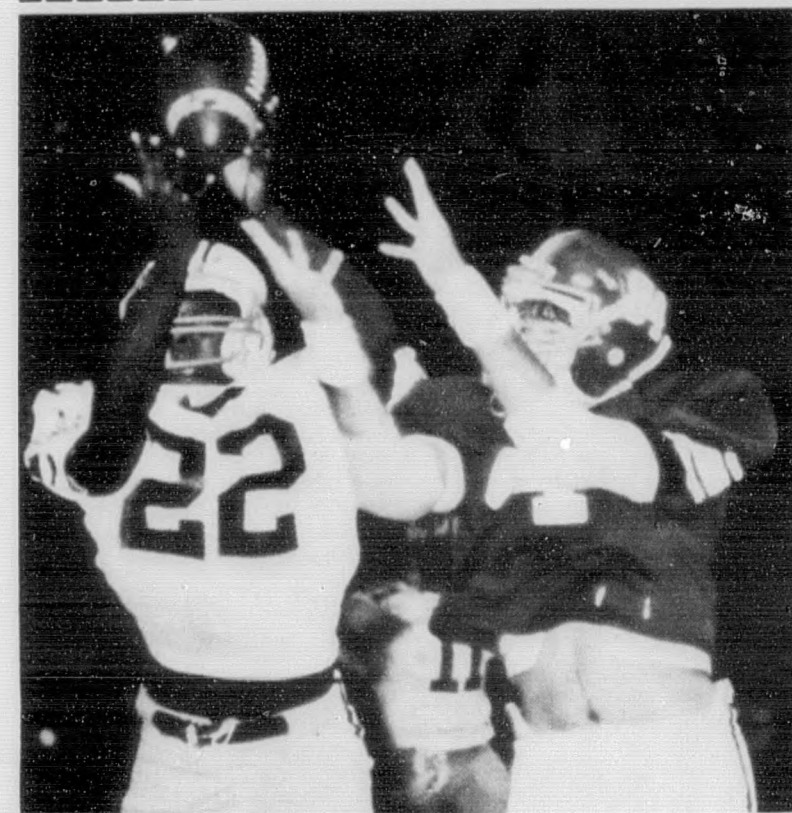

bomb. The p.a.t. failed again, but with 9:16 left in the half, Goshen had the lead 12-7.

The Eagles' final score of the half came on a 96-yard drive. A 59-yard run by Randy Wilkes keyed the drive, while the score came on a 37-yard pass from Snyder to Ricky Bray. The two-point conversion was good, and at the half Goshen led 20-7.

Goshen received the second half kick and quickly added to its lead. The score came on a pass from Snyder to Larry Grant, and although the p.a.t. failed, the Eagles were up 26-7 with 9:17 left in the third quarter.

A pass interception at the Goshen 34 stopped a drive on Zion Chapel's next series, and the Eagles again scored with ease as Snyder hooked up with Chris Wilkes on a long touchdown pass, giving Goshen a 32-7 lead with 7:20 left in the third quarter.

Freeman Jackson scored late in the third quarter on a long run to blow the game wide open, and a late score by Michael Hill was too little, too late, as Goshen took the win 39-14.

Brantley clobbers Alabama Christian 40-6

STORY AND PICTURES BY BILLY WAYNE WILLIAMSON

Brantley pulled out to a 34-0 halftime lead and then "called of the Dogs" last Friday night in Montgomery as it coasted to an easy 40-6 win over the Alabama Christian Eagles.

The win, Brantley's seventh in-a-row, upped the Bulldogs' record to 7-2 and set-up this week's clash with Brantley as the Area 4 title game.

Alabama Christian surprised Brantley with an outside-kick to open the game and recovered the kick at the Bulldog 47. The Eagles intercepted the pass and returned it 77-yards for a touchdown. The p.a.t. failed, leaving Brantley on top 6-0 with 9:04 left in the first quarter.

The Bulldogs began their next drive on the 37-yardline and drove 63-yards in 9 plays to add to the lead.

Keith Dorsey and Bernard Foster ran in for two-points giving Brantley a 14-0 lead with 2:08 left in the first quarter.

Alabama Christian tried a fake punt on its next series, but came up short of a first down and turned the ball over on the Eagle 36. The Dogs quickly added to their lead as on the first play Keith Dorsey took a pitch-out, stopped and lofted a 36-yard touchdown pass to Marvin Booker. The p.a.t. failed, but Brantley was up 20-0 with 11:53 still left in the half!

The next two Bulldog drives were stopped by fumbles; however, Brantley was far from being finished as it added 14-points in the final 1:13 of the half.

The score went to 27-0 with 1:13 left on a 25-yard touchdown pass from Bernard Foster to Marvin Booker and a Keith Dorsey p.a.t., while the final score of the half came following a Lee Johnson pass

interception. The score came on the last play of the half when Bernard Foster hit Mike Burnett with a 23-yard touchdown pass, and Dorsey added the p.a.t. giving Brantley a 34-0 halftime lead.

The Bulldogs' final score of the game was set-up by Lee Johnson's third interception of the game! The score came on a 15-yard run by Chad Kilcrease and put Brantley up 40-0 with 5:38 left in the third quarter.

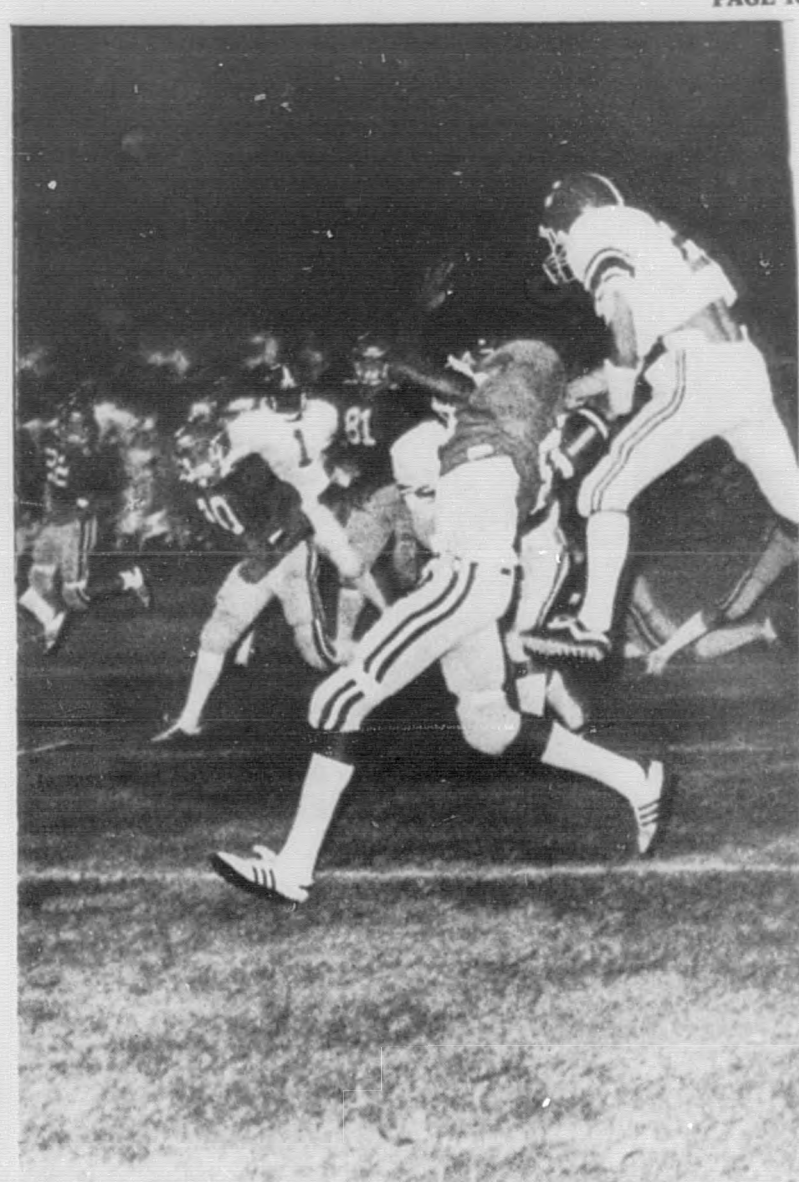

Alabama Christian got on the board late following an 85-yard drive to make the final score Brantley 40 Alabama Christian 6.

Marvin Booker rushed for 30-yards on 4 carries and caught 3 passes for 91-yards to lead the Brantley offense.

Notes From Our Early Files

TEN YEARS AGO
OCTOBER 31, 1974

***Mr. and Mrs. Roy Moore were honored on their golden wedding anniversary Sunday, October 13, at the home of their daughter, Mrs. Malcolm Davis, on Putnam Street. Hosts were the Moore children, daughters-in-law and sons-in-law. Besides Mrs. Davis they were Mr. Joe F. Moore, Mr. Johnnie M. Moore and Mr. Robert W. Moore.

***Socials with Shirley: Mr. Bob Cannon had a memorable time over the weekend visiting his daughter Courtney at Converse College in Spartanburg, South Carolina, for "Freshmen Fathers" weekend. He participated in such events as a WWII party, complete with dress; saw Courtney and some more girls perform in a ski; was treated at an exclusive restaurant by his daughter who wore a long dress, and came home with many memories of a wonderful weekend.

***ZCHS News: Sports Profile - Keith Byrd Stephens, son of Mr. and Mrs. Pete Stephens, Rt. 1, Glenwood; Little Miss and Mr. Zion Chapel - Richie Rugg, son of Mr. and Mrs. Byron Rugg, and Denise

Chancellor, daughter of Mr. and Mrs. Jerry Chancellor.

***EHS News: 1974 homecoming court: queen Linda Coon, Debra Hammonds, Jo Ruth Kendrick and Jana Brown; Player of the Week - Ronnie Culver; Bandsman of the Week - Pam Galtimore.

TWENTY YEARS AGO
OCTOBER 29, 1964

***Anella Sasser will be presented in a piano recital Sunday afternoon, November 1, at the Elba High School auditorium. She is the daughter of Mr. and Mrs. Kie Sasser.

***Retired Coffee County school teachers pictured at their first meeting of the new year were Mrs. Cora Ham, Miss Eunora Farris, Mrs.

Eugene Grimes, Mrs. Helen Roberts, Mrs. Ola B. Kendrick, Miss Zedie Rowe, Mrs. Mae Bryan, Mrs. Kate Hamm and Miss Nettie Ruth Walker.

***Mrs. Cecil T. Corley and Miss Marilyn Griffith honored Tommy Corley at a surprise party celebrating his 17th birthday on Saturday, October 17, at his home on Highway 84 West. The Halloween theme was carried out with a cake of yellow and black icing and a bonfire cocktail.

***Little Miss Lori Ann Dyess of Huntsville is visiting her grandparents, Mr. and Mrs. Sam Sawyer.

***Lennie Hatway, Bill Reynolds, Willie Coon, Foye Anderson, Woodrow Pierce and Joel B. Moody

went to Long Bridge last Wednesday afternoon for trout fishing.

THIRTY YEARS AGO
NOVEMBER 4, 1954

***After eleven years of research and study, Dr. W.M. Ringsdorf, Elba dentist, has developed a technique for putting in porcelain fillings.

***Tommy Thomsen and several friends went on a dove hunt last Thursday afternoon, and upon arriving they proceeded to unload their equipment. Tommy had everything, including ammunition, game bag, hunting coat, thermos bottle - but no gun. He persuaded members of the party to return to Elba and get the missing weapon. The dove shoot then proceeded.

***Mr. W.F. Fortner was sweeping the sidewalk all the way to the curb Sunday afternoon in search of the key to his store door. After all the sweeping and thorough search inside

and out he found the key in the cuff of his trousers, the natural lodging place for things that are dropped.

***High School News: Jimmy Young is the youngest child of Mr. and Mrs. Bradford Young. They live in Curtis Community. Jimmy is 5'8" tall, has blond hair and blue eyes. He is the solo trumpet player in the band and has gone to the all state band for three years. Jimmy is in the Beta Club too.

***Mrs. John Wilkerson has returned home from a visit with her daughter and son-in-law, Sgt. and Mrs. Hoyt Williams, of New Jersey.

Elba Cub Scout To Receive Certificate Of Heroism For Saving Sister From Fire

Cub Scout Vince Hudson of Elba will be presented a Certificate of Heroism on November 29, at 7 p.m.

at the Elba High School, for his act of rescuing his seven-year-old sister Kristy from a burning garage on

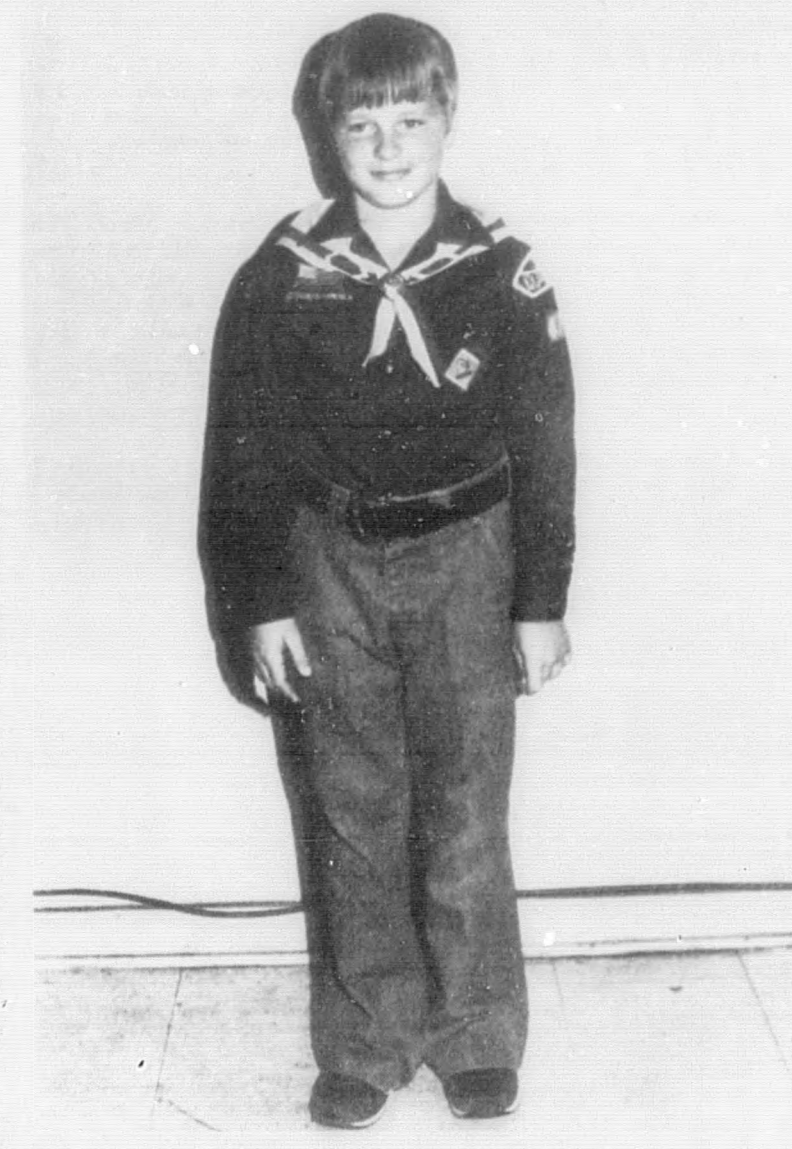

January 25, 1984.

The 10-year-old Cub Scout and his sister were watching television in

their shed-garage while their father worked nearby. The father left the two watching television for a few minutes while he went to pick up their mother from work. As Vince changed stations on the television, a spark ignited some nearby gasoline which exploded throwing fire on Vince and around the building. Vince rescued his frightened, screaming sister from the burning building, jumping through and over the fire. He then rolled on the ground putting out the fire on his own body. He then went inside the house and, giving accurate directions to his home, called the operator who summoned the volunteer fire department. Vince then returned to the garage and began to extinguish the fire with a piece of clothing.

"Vince remained calm through the whole ordeal while attempting to console his sister and parents as they arrived on the scene, even though he had been burned extensively on his arm and in a great deal of pain," said Bill Sexton, district executive. "Vince displayed courage and composure... and only after the ordeal was over did he consider his own injuries and pain."

Vince is the son of Mr. and Mrs. James P. Hudson of Elba, and belongs to Cub Scout Pack 47, which was chartered by the Elba Lions Club.

New Faces Are Present As Elba City Board Of Education Holds Meeting

The Elba City Board of Education took on a new look at its meeting Tuesday night, November 6, as two members left the board, two new members took office and a new chairman and vice-chairman were named.

Mrs. Gladys Yelverton, who resigned from the board after being elected to the Elba City Council, was present at the meeting and was honored by both the Board of Education and the City, as Supt. John Osburn and City Clerk D.M. English presented her with mementos.

Mr. Paul King, who recently completed a five-year term on the board, was unable to attend the meeting. Newly appointed board members Stan Marsh and Tom Maddox were welcomed to the board and received a brief explanation of various activities.

Butch Oggs was unanimously elected as the new board chairman, with Dr. Bill Cowart being unanimously elected as vice-chairman.

Supt. Osburn told the board the school system "finished the month in the black," despite a high total of expenses. The additional expenses were related to the payment of a yearly insurance premium on the school buildings and a disbursement of U.S.D.A. funds. These funds are received to finance the school lunch program and must be recorded as both income and expense.

The superintendent also reported classroom furniture for the junior high building had arrived. The furniture included 400 student desks and new teachers' desks. Three hundred used desks were picked up by the State Prison System, for use in correctional facilities.

The subject of adopting an

official board policy was discussed, with all members agreeing to allow Dr. John C. Walden of Auburn University to aid in writing the various policies.

The last policy revision was completed in 1974 and Supt. Osburn stated a new official policy was needed to keep up with changing court orders.

In other action at Tuesday's meeting, the board:

***approved the minutes of the October 4 meeting;

***was informed the city had replaced and added transformers at the junior high building;

***set a tentative date of Sunday, December 2, as the date for holding an open house at the junior high school; and

***toured the junior high school to view renovations.

County Voters Stick With Incumbents In Tuesday's General Election

Coffee County voters joined those across the state and nation by voting split tickets, electing both Democrats and Republicans. While the nation didn't follow completely, this area supported the incumbents by a large margin. The landslide victory by President Reagan didn't carry over to other hopefuls as Alabama voters returned to office U.S. Senator Howell Heflin, a Democrat, and Public Service Commission president Jim Sullivan, also a Democrat.

Republican Congressman Bill Dickinson won his eleventh term, having first gone into office in the Goldwater sweep of Alabama in 1964.

The presidential ticket of Ronald Reagan and George Bush carried Coffee County with 10,016 votes or 70 percent over Democrats Walter Mondale and Geraldine Ferraro with 4,260 votes. The Libertarian Party candidate managed 140 votes and four independent candidates managed 49 total votes. An interesting note nationwide was a survey that indicated women failed to rally to the first woman on a major party ticket, much to the disappointment of Mrs. Ferraro.

U.S. Senator Howell Heflin didn't fall victim to Republican lever-pulling as he defeated Republican Albert Lee Smith by a vote of 836 to 5373. There were 235 votes for Libertarian candidate Frank Tippler III.

Public Service Commission president Jim Sullivan, who was running his first political race, having been appointed to the position by Governor George Wallace, won a decisive victory over Republican Gordon Tucker and Libertarian Timothy A. Gatewood. In Coffee County Sullivan got 6812 votes, Tucker got 4408 and Gatewood 251.

None of the above totals includes the absentee votes, which were still being counted at noon Wednesday. There were over 700 of these ballots and the counting couldn't legally start until 6 p.m. Tuesday. However, there was no race that these votes would change if they happened to all be for a single candidate.

There were three amendments on the ballot, with budget isolation coming before the voters for the third time. It continues to pass locally as well as statewide with Coffee County voters voting 6081 in favor to 1517 opposed. That was passage by an eighty percent majority.

The amendment setting up a cotton check-off was won by a vote of 6081 in favor to 1517 opposed. It directly affects only cotton farmers and was approved by a vote of 5088

to 1923.

The lone amendment to fail was the one granting special hunting license status to a group of Black Belt counties. Coffee County voters rallied to a statewide appeal from the conservation department and voted the measure by a vote of 4721 to 2381 in favor. This measure also failed statewide.

Enterprise voters faced another issue that is always emotionally charged, with very few people neutral. The vote over changing to the legalized sale of alcohol won in

Enterprise by a narrow 367 vote with 3858 voters in favor and 3491 opposing the measure. It pertained only to the City of Enterprise, following a law passed last year by the Alabama legislature allowing cities of 7,000 or more to petition and secure a vote on the measure pertaining only to their city. That law also provided that once the cities of over 7,000 have approved the legal sale, those of 4,000 or more in the same county could also hold a vote on the measure.

WATER SYSTEM IMPROVEMENTS... John R. Smith, Dothan, is shown installing some of the new water treatment equipment on one of Elba's three water wells. Smith, who is with Water Treatment and Controls Company of Dothan, is changing out some worn equipment plus adding additional equipment to insure quality water for the residents of Elba.

A recent water test conducted on samples supplied by the city revealed an unusually high bacteria count and state officials increased their monitoring of the system to insure there was no increase in problems. Once the new system improvements are completed, water officials plan to put in place a monitoring system of checking water in every section of town on a daily basis.

A number of citizens has expressed concern over the safety of the water for drinking, after they received the short letter mailed by the city in compliance with state health officials. The official answer is that the water is being closely monitored and there seems to be no need for greater concern at this point.
